Author Profile

Satish Watsar is a student of Master of Engineering in, Advance Manufacturing and Mechanical System Design S.S.G.M. College of Engineering, Shegaon (M.S.) India. He received a degree of Bachelor of Engineering in Mechanical Engineering from North Maharashtra University, Jalgaon.

Ajay Bharule is currently holding a position as Assistant Professor in Mechanical Engineering Department of S.S.G.M. College of Engineering, Shegaon (M.S.) India. He has 6 years of experience in academics. His research interests include Stress Analysis & Fracture Mechanics.
